Gift Aid

Most members have already signed up for Gift Aid, which stays valid until you advise me otherwise. If you have not done so, please consider signing below, which lets me reclaim the tax you have already paid on your subscription at no extra cost to you. Your Gift Aid also covers subscriptions paid for your children, but not for your spouse or other adult.

I want Peebles Orchestra to treat all donations I have made since 23 September 2004, and all donations I make from the date of this declaration until I notify you otherwise, as Gift Aid donations.

Signature of Donor: ***Date of Signing:***

Please note that you must be paying Income Tax and/or Capital Gains Tax in the year at least equal to the tax Peebles Orchestra will reclaim for that year [currently 20p for each £1 you give]. If you will not be paying enough tax in any year, please notify me, and I will not make a claim for that year.
